

4=Excellent. Is functioning autonomously with very little to minimal oversight. Exerts excellent H & P (including interpretation of labs, dg work up) and decision making for medications, education, referral, and follow-up.

3=Fair to Good. Requires some mentoring and prompting in caring for the patient. But otherwise is progressing in caring for the patient in autonomous manner.

2=Below Average, (needs improvement). Requires more than half the time in mentoring and prompting in caring for the patient

1= Poor to failing. (Needs substantial improvement), has difficulty assimilating information and managing patient on own.

NA=Not Applicable or No Basis

**College of Nursing
Nursing 793
Clinical Evaluation By Preceptor/Faculty**

Due at Final Exam Date or last day of class

Attach a copy of the preceptor's letterhead, business card, or voided script with this evaluation. Staple all pages together. Put your name on each page. Bring your completed evaluation to the final examination date.

STUDENT NAME: _____ PRECEPTOR: _____
PRACTICE LOCATION: _____

Progress, Comments, Suggestions

INFORMATION GATHERING

1.	Complete, Relevant, Organized	0	1	2	3	4	NA
2.	N.P. student confident, autonomous	0	1	2	3	4	NA
3.	Appropriate time used	0	1	2	3	4	NA

PHYSICAL EXAMINATION

4.	Appropriate, complete, flowing, organized	0	1	2	3	4	NA
5.	Technical skill	0	1	2	3	4	NA
6.	Practitioner self-confident	0	1	2	3	4	NA

7.	Appropriate time used	0	1	2	3	4	NA
8.	Skillful with diagnostic lab test (includes interpretation)	0	1	2	3	4	NA

Progress, Comments, Suggestions
CLINICAL JUDGEMENT

9.	Complete, Relevant, Organized	0	1	2	3	4	NA
10.	Utilization of subjective/objective Information	0	1	2	3	4	NA
