

4=Excellent. Is functioning autonomously with very little to minimal oversight. Exerts excellent H & P (including interpretation of labs, dg work up) and decision making for medications, education, referral, and follow-up.

3=Fair to Good. Requires some mentoring and prompting in caring for the patient. But otherwise is progressing in caring for the patient in autonomous manner.

2=Below Average, (needs improvement). Requires more than half the time in mentoring and prompting in caring for the patient

1= Poor to failing. (Needs substantial improvement), has difficulty assimilating information and managing patient on own.

NA=Not Applicable or No Basis

College of Nursing

Faculty and Preceptor Evaluation of the Student in Clinical Practice Tool

Completed by Preceptor and Faculty

Due at Mid-semester and again at last day of class

Attach a copy of the preceptor's letterhead, business card, or voided script with this evaluation. Staple all pages together. Put your name on each page. Bring your completed evaluation to the final examination date.

STUDENT NAME: _____ PRECEPTOR: _____
 PRACTICE LOCATION: _____

INFORMATION GATHERING

1.	Complete, Relevant, Organized	0	1	2	3	4	NA
2.	N.P. student confident, autonomous	0	1	2	3	4	NA
3.	Appropriate time used	0	1	2	3	4	NA

PHYSICAL EXAMINATION

4.	Appropriate, complete, flowing, organized	0	1	2	3	4	NA
5.	Technical skill in PE	0	1	2	3	4	NA
6.	Skillful with diagnostic lab test (includes interpretation)	0	1	2	3	4	NA

CLINICAL JUDGEMENT

7.	Complete, Relevant, Organized	0	1	2	3	4	NA
8.	Utilization of subjective/objective Information to formulate dg	0	1	2	3	4	NA
9.	Prioritizes Diagnoses, Risks	0	1	2	3	4	NA
10.	Incorporates Social Determinants	0	1	2	3	4	NA

PATIENT MANAGEMENT

11.	N.P. confident, skillful, autonomous	0	1	2	3	4	NA
-----	--------------------------------------	---	---	---	---	---	----

12.	Complete therapeutic plan	0	1	2	3	4	NA
13.	Adheres to standards, Scope, EBP	0	1	2	3	4	NA
14.	Prescribes appropriately, safely	0	1	2	3	4	NA
15.	Provides health teaching-counseling	0	1	2	3	4	NA
16.	Appropriate referrals	0	1	2	3	4	NA
17.	Appropriate follow-up plans	0	1	2	3	4	NA

COLLABORATES WITH THE INTERDISCIPLINARY TEAM

18.	Clarify roles/values/responsibilities	0	1	2	3	4	NA
19.	Presents patients in organized manner	0	1	2	3	4	NA
20.	Actively participates in team based care	0	1	2	3	4	NA

RAPPORT WITH PATIENT

21.	Elicits patient confidence, cooperation	0	1	2	3	4	NA
22.	Relieves anxiety, answers questions	0	1	2	3	4	NA
23.	Respectful, ethical, culturally appropriate	0	1	2	3	4	NA
24.	Involves patient in health care planning	0	1	2	3	4	NA
25.	Clarifies patient feelings, attitudes, values	0	1	2	3	4	NA
26.	Communicates at patient's level	0	1	2	3	4	NA

EXHIBITS PROFESSIONAL BEHAVIORS

27.	Collaborates interprofessionally	0	1	2	3	4	NA
28.	Responsible, dependable, respectful	0	1	2	3	4	NA
29.	Accepts/responds to feedback	0	1	2	3	4	NA
30.	Confident with use of EHR/Informatics	0	1	2	3	4	NA
