

4=Excellent. Is functioning autonomously with very little to minimal oversight.  
 3=Fair to Good. Requires some mentoring and prompting in moving the project forward.  
 2=Below Average, (needs improvement). Requires more than half the time in mentoring and prompting to progress on the project  
 1= Poor to failing. (Needs substantial improvement), has difficulty assimilating information and managing on own.  
 NA=Not Applicable or No Basis

**College of Nursing**  
**Nursing 806 Executive Leadership (E.L.)**  
**Clinical Evaluation By Preceptor/Student**

Due the last day of class

**Attach a copy of the preceptor’s letterhead, business card, or voided script with this evaluation. Copy and upload this to the assignment link under the final project week on Blackboard**
